mindfit

College Place Village Church Fellowship Hall

MindFit is a series that cuts to the core of the issues—exposing the roots of mental illness and stigma, and exploring how modern medicine AND biblical faith offer real hope to those who are struggling.

Pastor Alex Rodriguez

It's not "all in your head." Mental illness is a harsh everyday reality for millions of people. Many know someone affected, but few understand what their friends and neighbors are really experiencing. Or know how to help.

Join Alex Rodriguez on a journey to better understand the challenges so many face today.
